Re: Antelope Valley Groundwater Adjudication

Dear Mr. McLachlan:

At the conclusion of the Phase 4 Trial, Judge Komar made certain provisions for the Wood Class to establish its claimed groundwater production for Water Years 2011 and 2012.

Please advise as to the status of the determination of that information and when it will be ready for presentation to the parties who participated in the Phase 4 Trial for review, evaluation and potential stipulation.

Sincerely,

Michael Duane Davis, of
