2
3 SPECIAL INTERROGATORY NO. 3:

4 Describe in detail all WRITINGS which support YOUR response to Special Interrogatory
5 No. 1 above.

6 SUPPLEMENTAL RESPONSE TO SPECIAL INTERROGATORY NO. 3:

7 White Fence Farms Mutual Water Company (hereafter “this Supplementally Responding
8 Party”) objects to this interrogatory on the grounds that it is overbroad and the documents
9 requested are equally available to the propounding party, and, to the extent the documents are not
10 available, it would be unduly burdensome and oppressive for this Supplementally Responding
11 Party to obtain the documents. This Supplementally Responding Party further objects to this
12 interrogatory on the grounds that the documents have already been produced, have been posted
13 to the Court’s website, or are protected by the attorney-client privilege, attorney work product
14 doctrine, or the right of privacy. This Supplementally Responding Party further objects to this
15 interrogatory on the grounds that this Supplementally Responding Party has not yet completed
16 discovery and has not yet completed preparation for the Phase 5 Trial, and specifically reserves
17 the right to supplement its responses to include additional information as it becomes available.

18 Without waiving its objections, and after reasonable inquiry and a diligent search for
19 documents, this Supplementally Responding Party supplements its prior response by describing
20 some of the documents that are currently known or believed to be responsive to this
21 interrogatory, including, but not limited to:

- 22 1) The organizational documents of the California State Water Project (“State Water
23 Project”).
24 2) Contracts and agreements between and among the State of California, the State Water
25 Project, the State Water Project participants, the State Water Project providers, the
26 State Water Project contractors, the State Water Project suppliers, the State Water
27 Project recipients, and this supplementally responding Mutual Water Company.

- 1 3) Policies and procedures established by the State Water Project and its contractors
- 2 under which this supplementally responding Mutual Water Company acquires water
- 3 (subject to the Court's interpretation of the legal effect of those documents).
- 4 4) Documents evidencing the quantities and sources of water purchased and delivered
- 5 from the State Water Project for this this supplementally responding Mutual Water
- 6 Company.
- 7 5) Invoices and other evidence of payments for State Water Project water purchased and
- 8 delivered to or for the benefit of this supplementally responding Mutual Water

- 11 others regarding the acquisition, delivery and payment for State Water Project water.
- 12 7) Contracts, agreements and explanatory communications involving and referencing
- 13 AVEK in connection with the acquisition, distribution and sale of State Water Project
- 14 water and/or right to return flows.
- 15 8) The organizational documents, policies, procedures, ordinances, rules and regulations
- 16 of AVEK (subject to the Court's interpretation of the legal effect of those
- 17 documents).
- 18 9) Documents evidencing the sources of water sold by AVEK.
- 19 10) Documents evidencing the allocation and/or allotment of water sold by AVEK.

20
21 **SPECIAL INTERROGATORY NO. 18:**

22 In any non-privileged WRITINGS YOU have prepared from 1974 to present (excluding
23 pleadings filed in this Action), have YOU stated that return flows from State Water Project
24 water AVEK imports into the area of adjudication is a source of water available to YOU?

25 **SUPPLEMENTAL RESPONSE TO SPECIAL INTERROGATORY NO. 18:**

26 This Supplementally Responding Party objects to this interrogatory on the grounds that it
27 is overbroad and the documents requested are equally available to the propounding party, and, to

1 the extent the documents are not available, it would be unduly burdensome and oppressive for
2 this Supplementally Responding Party to obtain the documents. This Supplementally
3 Responding Party further objects to this interrogatory on the grounds that the documents have
4 already been produced, have been posted to the Court's website, or are protected by the attorney-
5 client privilege, attorney work product doctrine, or the right of privacy. This Supplementally
6 Responding Party also objects to this interrogatory in that it calls for a legal conclusion, expert
7 opinion, and/or information that is protected by the attorney work product doctrine and the
8 attorney-client privilege. This Supplementally Responding Party further objects to this
9 interrogatory on the grounds that this Supplementally Responding Party has not yet completed
10 discovery and has not yet completed preparation for the Phase 5 Trial, and specifically reserves
11 the right to supplement its responses to include additional information as it becomes available.

12 In addition to documents which have already been and are being produced in this action,
13 and without waiving its objections, after further reasonable inquiry and a diligent search for
14 additional documents, this Supplementally Responding Party has not located any written
15 communications that are responsive to this interrogatory.
