NATURE OF PROCEEDINGS:

Counsel are directed to meet and confer and submit a
Joint Proposed Partial Statement of Decision for
Phase 4 Trial.

Court sets a telephonic pre-trial status conference
for June 27, 2013 at 9:00 a.m. Location for call-in
purposes to be determined.

At the conclusion of Phase 4 Trial, the Court began reviewing the declarations and supporting evidence against a hearsay objection by counsel for the Wood Class to ensure that the declaration each has submitted is by a qualified person and to determine whether each submitted competent evidence that would support the conclusion of pumping.

Counsel for the Wood Class shall contact the court appointed expert to schedule a call with the Court to discuss the progress and submission of the report on the work he is doing on the Wood Class.
