Notice to All Parties re Exhibit List

Anaverde's initial exhibit list was extensive and included many exhibits that Anaverde may not introduce at trial. The attached amended exhibit list reflects exhibits we intend for specific use in our case and on direct examination. Most of these exhibits were previously named on the longer list served Monday, September 29, 2008, and have merely been renumbered. There are a few new exhibits which have been added as a result of the ongoing meet and confer process to include documents produced as late as yesterday.

Please feel free to contact me if you have any questions regarding this matter.

Thank you.

Very truly yours,

/s/
