Subject: October 6, 2008 Trial

Counsel:

The Court has received many inquiries about the time estimate for the October 6, 2008 Trial. Please be advised that the Court expects to proceed with the trial, day to day from Monday, October 6, 2008 through Friday, October 10, 2008. If the trial needs to proceed beyond October 10, 2008, the Court will issue the return dates at that time. It is not likely that the Court will hold session the following week, due to other obligations in Santa Clara County.
