PAGES 411 - 567

1 concerning the current state of subsidence in the
2 Antelope Valley?

3 A. I don't know.

4 Q. Are there extensometer facilities in the
5 Antelope Valley? 10:44

6 A. I'm aware of one that the USGS constructed.
7 There may be more.

8 Q. Do you know when they constructed that?

9 A. I don't recall.

10 Q. Do you know if it's currently functional? 10:44

11 A. I do not.

12 Q. Is that something you could discover?

13 A. Yes.

14 Q. So can we leave a space in the transcript
15 for a yes or no answer as to whether that -- 10:45

16 A. You need to restate the question.

17 Q. Is the extensometer facility in the
18 Antelope Valley currently functional?

19 MR. BUNN: Is that information that you
20 have at your office? 10:45

21 THE WITNESS: I'm not sure.

22 MR. BUNN: I would object to it to the
23 extent it requires him to do further work. If he
24 has it in his office I have no objection to him
25 providing it. 10:45
