To Attorneys of Record (*via Lexis-Nexis*):

**RE: Antelope Valley Groundwater Cases: July 29, 2013 hearing/Cardno Entrix check**

Today the court set for hearing LITTLE ROCK CREEK IRRIGATION DISTRICT, PALM RANCH IRRIGATION DISTRICT, NORTH EDWARDS WATER DISTRICT and DESERT LAKE COMMUNITY SERVICES DISTRICT motion for an order Modifying the Order Re: Motion for an Order Authorizing Court-appointed Expert Work, entered on December 11, 2012 and other relief requested by the PWS parties related to such bills.

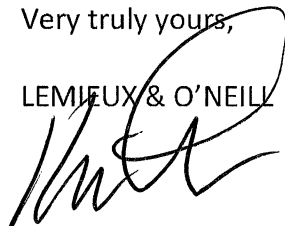

Given the fact that such matter is pending for hearing and no W-9 has been supplied, a stop payment has been issued on the check to Cardno Entrix in the amount of \$2,845.44.

We request that Mr. McLachlan notify Cardno Entrix it should not cash the check. Their phone number and fax number are illegible on the copies of invoices we received.

We apologize for any inconvenience. Please contact me if you have any questions.

Very truly yours,

LEMIEUX & O'NEILL
