DECLARATION

I, DOLLIE KOSTOPOULOS, declare as follows:

1. I am the General Manager of North Edwards Water District (herein "District"), a public water purveyor. I am authorized to make this declaration on behalf of the District. I am the custodian of records for the attached public records. I have worked for North Edwards Water District, a public agency, since 2006.

2. I previously submitted a declaration and exhibits during the Phase 4 trial on behalf of Desert Lake Community Services District and North Edwards Water District. I submit this declaration on behalf of North Edwards Water District.

3. I have personal knowledge of the facts set forth herein, and if called to testify, I could and would competently testify thereto. As General Manager, I am familiar with the practices and management of the District, including but not limited to the record-keeping practices of North Edwards Water District, in maintaining current and historical groundwater pumping records. As a long-time employee of the District, I am familiar with the history of the District, including how its groundwater pumping is measured as well as its historic groundwater pumping.

4. The District presently keeps records of its groundwater pumping. I am familiar with how meter readings and summary charts of groundwater pumping are, and have been, prepared and maintained by the District since I began working for the District and historically. Historically, groundwater pumping has been recorded at the time of ascertaining such pumping, and such records have been kept in the District office. These historic records are maintained at the District office, under my care, in the ordinary course of business. The manner of recording groundwater pumping historically and presently is such as to indicate the records' trustworthiness.

5. In the ordinary course of business, the District records its water usage regularly at the time of its meter readings in a meter reading logs and immediately after in a summary charts. In the ordinary course of business, the summary charts are prepared by me or at my direction and maintained by me in the District office.

6. Attached hereto as Exhibit "A" is a true and correct copy of the District's summary charts of groundwater pumping for the following years: 1990 through 2014. Attached hereto as Exhibit "B" is a true and correct copy of the District's historical summary of pumping from 1958 through 1993.

7. Attached as Exhibit "C" is a true and correct copy of the District's groundwater pumping summary reports which were admitted into evidence as Exhibit F to my declaration during the Phase IV trial.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on September 25, 2015, at North Edwards, California.
