Re: *Antelope Valley Groundwater Adjudication/
Mr. Dunn's Correspondence of June 20, 2007*

Gentlemen:

Please accept this correspondence as formal Notice that this office, counsel for Diamond Farming Company, has arranged for an Ex Parte Hearing to be held telephonically on July 10, 2007, at 9:00 a.m., Pacific Daylight Time. The purpose of the Ex Parte is to secure a Court Order compelling your participation with the undersigned in a court supervised meet and confer concerning your recent boilerplate and blanket Objections to the written discovery propounded upon each of you by Diamond Farming Company. As each of you should be aware, under the Rules for Complex Litigation, a court supervised meet and confer is required as a predicate to a subsequent Motion to Compel Further Responses. I am, in that Ex Parte Application, asking Judge Komar to set the court supervised meet and confer to coincide with the currently scheduled Case Management Conference on July 20, 2007.

If you wish to participate in the Ex Parte Hearing, the call-in information is as follows:

(304) 345-7354
Participate Code: 713181
