I am in a deposition at the moment. I am not available the 10th. If the larger group is available that date, I will accept the decisions/positions of the public suppliers.

RE: ANTELOPE VALLEY GROUNDWATER

---

---

On August 1, 2007, I telephoned Jeffrey Dunn's office to follow-up on an e-mail I sent to him on July 31, 2007, regarding trying to coordinate an in-person meet & confer on August 10, 2007, regarding discovery in the above-entitled matter. I left a message on his secretary's (Carrie) voicemail for her to return my call, but I have not heard back from her.
