

Statement of Public Water Supplier Claims

1. Total amount of your groundwater production from 1946 to 2012, by year.
2. The amount of imported water you purchased, by year.
3. The amount of return flows generated from the imported water, by year.
4. The amount of your total groundwater production that is adverse, by year.
5. The date when your prescriptive rights ceased to accrue.
6. The prescriptive period.
7. The effect of the filing of Diamond Farming's and Bolthouse's original lawsuits on your prescriptive rights.
8. The total amount of prescriptive rights you claim (without regard to self-help), and the basis for calculation.
9. Against what parties you claim prescriptive rights.
10. Any non-prescriptive rights you claim.
