Judicial Council Coordination
Proceeding No. 4408

[Assigned to The Honorable Jack Komar, Judge
Santa Clara County Superior Court, Dept. 17]

Santa Clara Court Case No. 1-05-CV-049053

**Public Water Suppliers' Opposition To Willis
Class Motion To Admit Willis Class's
Alternative Proposed Physical Solutions Into
Evidence**

Date: August 3, 2015

Time: 10:00 a.m.

Place: Los Angeles Superior Court
Old Dept. 1 (Room 222)

As the court is aware, the Willis Class agreed in the Willis Settlement to be part of a later physical solution, to the extent it was consistent with the terms of the Willis Settlement. (Willis Settlement p. 2:2-4.) The court has scheduled a hearing on August 4 on the opposition to the global settlement by the Willis Class regarding the legal effect of the global settlement on the Willis Class Settlement and Judgment. If the court determines at that hearing that the global settlement and physical solution is consistent with the Willis Class Settlement, then the Willis Class has no standing to object to the physical solution or propose its own alternatives.
