CLASS ACTION

Santa Clara Case No. 1-05-CV-049053

**CASE MANAGEMENT STATEMENT OF
CHARLES TAPIA, INDIVIDUALLY AND
AS TRUSTEE OF THE NELLIE TAPIA
FAMILY TRUST**

Date: May 15, 2015

Time: 1:30 p.m.

Place: Santa Clara County Superior Court
(via CourtCall)

21
22 Charles Tapia, individually and as Trustee of the Nellie Tapia Family Trust (hereinafter
23 “Tapia”), hereby respectfully submits his Case Management Statement as follows:

24 Pursuant to a Court directed “Meet and Confer” that the Parties who are the liasons for the
25 Settling Parties under the global Stipulation and Settlement that is currently being proposed to the
26 Court, a fairness hearing of which is set to be heard beginning on August 3, 2015 (“Stipulation”),
27 on the one hand, and all non-settling parties, as well as parties who wish to be in the settlement
28 but have yet to be invited to do, on the other hand.

1 Such Meet and Confer duly occurred on May 11, 2015. Robert H. Brumfield, III, of
2 Brumfield & Hagan, LLP, on behalf of Tapia, telephonically appeared for the Meet and Confer.
3 At the Meet and Confer, Mr. Brumfield made a further request to be included in the Stipulation.

4 Although the settling parties did not make a final determination at the May 11 hearing, they
5 did represent that another liason would be appointed to communicate directly to the parties yet in
6 the settlement, to further attempt inclusion.

7 Up to and including the current time, Tapia has never communicated any resistance to be
8 included in the Stipulation, and would not object to terms of the Stipulation. Tapia eagerly awaits
9 to be included.

10 As a brief summary, Tapia only became involved in this case as of September 15, 2014, by
11 filing his Motion to Set Aside Default, which was granted. Tapia, through Brumfield & Hagan,
12 made repeated requests to be a part of the Stipulation, but to no avail. Thereafter, on or about
13 January 12, 2015, Tapia brought a Demand for Inclusion, for the Court to make an allowance for
14 Tapia's inclusion in the Stipulation. The Court did not make an order directing inclusion, but
15 invited the parties to make arrangements on their own.

16 Tapia continued to make requests directly with the Settling Parties, but such were denied.
17 Following the Court's directive in suggesting that as many of the non-settling parties, and the
18 non-included parties, work together to be included in the Stipulation, the Meet and Confer
19 commenced.

20 Tapia will endeavor to be included, and only awaits final approval from the settling parties.
