April 16, 1943

Honorable Earl Warren,
Governor of California,
Sacramento, California.

Dear Governor Warren:

The laws of the State of California, (Section 33 of the Political Code of California, and section 34 of said code as amended by an act of the legislature of California approved July 8, 1939 [Cal. Stat., 1939, chap. 710, p. 2231]), permit the assumption of exclusive Federal jurisdiction over lands within that State, acquired by the United States for military and certain other purposes.

Under section 355, Revised Statutes, as amended by the act of February 1, 1940 (54 Stat. 19), and by the act of October 9, 1940 (54 Stat. 1085; 40 U.S.C. 855), it is provided in effect that unless and until the United States has accepted jurisdiction over lands acquired or in which any interest shall have been acquired after February 1, 1940, it shall be conclusively presumed that no such jurisdiction has been accepted.

Accordingly, notice is hereby given that the United States accepts exclusive jurisdiction over all lands acquired by it for military purposes within the State of California, title to which has heretofore vested in the United States, and over which exclusive jurisdiction has not heretofore been obtained.

It is requested that you return the inclosed copy of this letter, with an indorsement thereon over your signature stating the date of your receipt of this notice.

Sincerely yours,

Secretary:

Governor Warren has directed me to further concerning your letter of accepting in behalf of the United jurisdiction over all lands acquired for military purposes in the State of California. District Attorney Arthur J. Lassen County has called to the attention the fact that the town of [unclear] is situated on land owned by the State Government. He asks that the request information from you as to whether the town is part of the Sierra Nevada National Monument which is not under the exclusive jurisdiction of the United States Government.

For your information a copy of Mr. [unclear]'s letter is enclosed. The Governor requests any assistance your department may be able to give him in this matter.

Sincerely,

(Miss) Helen E. MacGregor

Honorable Earl Warren,
Governor of California,
Sacramento, California.

Dear Governor Warren:

Reference is made to my letter of August 18, 1944, accepting exclusive jurisdiction over certain lands acquired by the United States for military purposes, in which it was stated that information was being assembled to assist you in complying with an act of the Legislature of California approved May 17, 1943 (Calif. Stat., 1943, Chap. 536).

There has now been prepared and is inclosed a list of military reservations in the State of California acquired either in whole or in part by the United States from February 1, 1940, to August 16, 1944, inclusive. For convenience in locating and identifying these establishments, the counties in which they are located and former designation, if any, are also furnished.

It is believed that this list is complete and accurate. However, because of the large number of land acquisitions in California, it cannot be warranted to be complete and is not to be considered as limiting the scope of my letters accepting exclusive jurisdiction dated April 16, 1943, January 3, 1944, and August 16, 1944.

Sincerely yours,

Henry L. Stimson
Secretary of War.
