The United States hereby submits copies of its trial exhibits for the up-coming Phase 5 trial regarding the federal reserved water right. The trial exhibits are too numerous and the size of the files are too large for individual attachment and uploading to the Court's website. The United States, therefore, coordinated production of its trial exhibits with the Court web administrator. The following link provides access to the United States' trial exhibits: Link

RESPECTFULLY SUBMITTED this 3rd day of February 2014.
