## **NOTICE OF INCREASE IN AVEK CAPITAL FACILITIES CHARGE**

**June 6, 2000**

The Antelope Valley-East Kern Water Agency established a capital facilities charge in 1990. The charge is assessed on new construction, based on installed water meter size, and provides funding for new water treatment and distribution facilities to meet increasing demand. The charge has not been revised since it was established ten years ago.

AVEK's Board of Directors took action on a Resolution to phase in the increase over a period of three years, beginning with an increase of approximately 11% effective September 1, 2000, an additional increase of approximately 11% effective July 1, 2001, and another increase of approximately 11% on July 1, 2002, at it's Regular Board Meeting on June 6, 2000.

**RESOLUTION NO. R-00-08**

**RESOLUTION OF THE BOARD OF DIRECTORS OF ANTELOPE VALLEY-EAST  
KERN WATER AGENCY PROVIDING FOR AN ADJUSTMENT OF THE AGENCY'S  
CAPACITY CHARGES CORRESPONDING WITH ADJUSTMENTS IN THE  
ENGINEERING NEWS RECORD CONSTRUCTION COST INDEX**

**WHEREAS, on February 13, 1990, the Board of  
Directors of Antelope Valley-East Kern Water Agency adopted  
Resolution No. R-90-1 establishing capacity charges in the  
amounts set forth in that resolution per equivalent dwelling unit to  
fund the construction of facilities to provide water service within  
undeveloped portions of the Agency; and**

**WHEREAS, Paragraph No. 2 of Resolution No. R-  
90-1 provided that said charges would be adjusted each year  
beginning in 1992 in the same percentage as the percentage change  
in the Engineering News Record Construction Cost Index  
("Index") for the period ending December 31 of the immediately  
preceding year; and**

**WHEREAS, notwithstanding the authority set forth  
in Resolution No. R-90-1 for increasing the Agency's capacity  
charges in proportion to the increases reflected in the Index,  
heretofore the Agency has refrained from increasing its capacity  
charges in consideration of the decline in the economy after 1990  
and the corresponding decline in development throughout the  
Agency; and**

**NOTICE OF PROPOSED INCREASE  
IN AVEK CAPITAL FACILITIES CHARGE**

The Antelope Valley-East Kern Water Agency established a capital facilities charge in 1990. The charge is assessed on new construction, based on installed water meter size, and provides funding for new water treatment and distribution facilities to meet increasing demand. The charge has not been revised since it was established ten years ago.

Upon request AVEK's Board of Directors will take action on a Resolution to phase in the increase over a period of three years, beginning with an increase of approximately 11% effective September 1, 2000, an additional increase of approximately 11% effective July 1, 2001, and another increase of approximately 11% on July 1, 2002, at it's Regular Board Meeting on June 6, 2000, 7:00 p.m., AVEK Offices at 6500 W. Avenue N, Palmdale.

WHEREAS, this Board has determined that it is now prudent, necessary and appropriate to adjust the Agency's capacity charges in proportion to the increase in the Index that has occurred since 1992, as originally contemplated when Resolution No. R-90-1 was adopted; and

WHEREAS, since 1992 the Index has increased approximately 33%, justifying a similar percentage increase in the Agency's capacity charges; and

WHEREAS, upon request this Board has decided to phase in the increase over a period of three years, beginning with an increase of approximately 11% effective September 1, 2000, an additional increase of approximately 11% effective July 1, 2001, and another increase of approximately 11% on July 1, 2002; and

WHEREAS, the action taken herein shall not be construed to constrain this Board from subsequently deciding to make different adjustments to the Agency's capacity charges according to a different or more accelerated time schedule, as the Board may determine to be necessary or appropriate in its judgment, nor from making subsequent adjustments to reflect further changes in the Index;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Antelope Valley-East Kern Water Agency as follows:

1.                   **Effective September 1, 2000, the Agency's capacity charges shall be as set forth on Schedule 1 attached hereto.**

2.                   **Effective July 1, 2001, the Agency's capacity charges shall be as set forth on Schedule 2 attached hereto.**

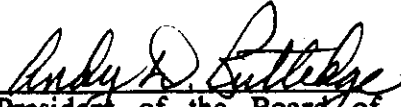

3.                   **Effective July 1, 2002, the Agency's capacity charges shall be as set forth on Schedule 3 attached hereto.**

4.                   **After July 1, 2002, this Board anticipates making further adjustments in the Agency's capacity charges to reflect changes in the Index, as contemplated in Resolution No. R-90-1.**

5.                   **This Board shall be free at any time to alter the adjustments set forth herein, or the schedule of effective dates for such adjustments, consistent with the limits set forth in Resolution No. R-90-1.**

6.

ADOPTED this 6<sup>th</sup> day of June, 2000.

  
President of the Board of  
Directors of Antelope Valley-
