Re: Antelope Valley Litigation – Request for Technical Committee Information

Dear Fellow Counsel:

As I discussed at yesterday's case management conference, I represent a named landowner cross-defendant in this litigation, namely Copa de Oro Land Company. During yesterday's conference, apparently on-going settlement discussions and technical committee proceedings were mentioned. To date, I have been unable to obtain any substantive information concerning those settlement discussions or participation in the technical committee. I respectfully request that information be circulated, through this Web site or otherwise, that indicates how cross-defendants who are relatively new to the case may participate in those activities.

Kind regards,

Ryan S. Bezerra
