1 **TO ALL PARTIES AND TO THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that Bolthouse Properties, LLC and Wm. Bolthouse Farms,
3 Inc. (hereinafter "Bolthouse") hereby add to their previous objection to the Proposed Wood
4 Class Settlement for the following reasons. The Motion for Class Certification filed on or about
5 June 20, 2008, and scheduled for hearing on or about August 11, 2008, excludes from the Class,
6 "defendants" in the action, "all persons and entities to the extent their properties are connected
7 to the municipal water system, public utility, or mutual water company from which they receive
8 water service," and "all property pumping 25 acre-feet per year or more on an average annual
9 basis during the class period."

10 As noted previously, the overlying right is correlative and shared by all Overlying
11 Landowners. It is clear that the Wood Class only includes a portion of Landowners. It would
12 be improper to approve a Class Settlement which settles a correlative right which the parties
13 have no legal right to divide up and settle separately. Further, failure to include rights of
14 defendant parties, parties who receive water from mutual water companies or public utilities,
15 and the failure to include parties pumping 25 acre-feet or more as named defendants, creates an
16 indispensable party infirmity in addressing and/or adjudicating overlying rights and prevents
17 complete adjudication for McCarran Act jurisdiction.
