San Jose, CA 95113

Judge: Hon. Jack Komar

The Court, having considered Plaintiffs' Second Supplemental Motion for an Award of Attorneys' Fees and Reimbursement of Expenses and the Memorandum of Points and Authorities and Declarations in support thereon, and after hearing, hereby finds that:

1. Plaintiffs' Second Supplemental Motion for Attorneys' Fees and Reimbursement of

1 Expenses (the “Motion”) requests an award of attorneys’ fees of \$2,143,340. Further, Plaintiffs’
2 counsel request reimbursement of out-of-pocket litigation costs and expenses in the amount of
3 \$105,107.62.

4 2. The Court finds that the Plaintiffs are entitled to recover their fees and costs under
5 California C.C.P. sections 1021.5 and 1033.5. Section 1021.5 authorizes the award of attorney’s
6 fees to a prevailing party when (1) the action has resulted in the enforcement of an important right
7 affecting the public interest; (2) a significant benefit has been conferred on the general public or a
8 large class of persons; and (3) the necessity and financial burden of private enforcement are such
9 to make the award appropriate.

10 3. The Willis Class’ rights have been protected by this physical solution and a
11 comprehensive adjudication could not be achieved without the Class’ participation. The Judgment
12 and physical solution have resulted in the enforcement of an important public right that affected the
13 public interest. A significant benefit has been conferred on a large class of persons and the public
14 at large. The necessity and financial burden of private enforcement are such to make an award
15 appropriate. Class counsel are also entitled to an award of costs in the amount of \$105,107.62.

16 4. The hours expended and hourly rates claimed by Class counsel are reasonable.
17 Given the contingent fee nature of the case and the substantial risks undertaken by Class Counsel,
18 a 1.5 multiple of their lodestar is fair and reasonable.

19 5. Upon consideration of the Motion and accompanying Declarations and based upon
20 all matters of record including the pleadings and papers filed in this action, the Court hereby finds
21 that the fee requested is reasonable and proper, and that the costs and expenses incurred by
22 plaintiffs’ counsel were necessary, reasonable and proper.

23 Accordingly, it is hereby ORDERED and DECREED that:

24 A. Plaintiffs’ counsel are awarded attorneys’ fees of \$_____.

25 B. Plaintiffs’ counsel are awarded reimbursement of their litigation costs and expenses
26 in the amount of \$105,107.62.

27 C. The attorneys’ fees awarded and reimbursement of litigation costs and expenses
28 shall be paid by the Public Water Suppliers and Overliers (not including the United States or the
