| 1 | The Court, having reviewed and considered the Motion for Final Approval of Settlement | | |
|----|--|--|--|
| 2 | for the Wood Class Stipulation of Settlement dated October 22, 2013 (the "Settlement | | |
| 3 | Agreement") ¹ , by and between City of Lancaster, Palmdale Water District, Phelan Piñon Hills | | |
| 4 | Community Services District, and Rosamond Community Services District, (collectively, | | |
| 5 | "Settling Defendants"), and Richard Wood, on behalf of himself and the Class defined below, in | | |
| 6 | the matter styled Richard Wood v. Los Angeles County Waterworks District No. 40 et al., Los | | |
| 7 | Angeles Superior Court Case Number BC391869 ("Wood Class Action"); having reviewed and | | |
| 8 | considered the terms and conditions of the Settlement Agreement; having reviewed and heard any | | |
| 9 | timely filed objections to the Settlement after notice to the class in accordance with the | | |
| 10 | preliminary approval order; and having reviewed and considered the motion of Class Counsel for | | |
| 11 | an award of attorneys' fees and costs and for an award of compensation to Richard Wood, and | | |
| 12 | having reviewed and considered all opposing papers, the Court makes the following FINDINGS: | | |
| 13 | A. The Court has jurisdiction over all parties to the Settlement Agreement including | | |
| 14 | Class members who did not timely opt out of the Settlement. | | |
| 15 | B. For over 14 years, a number of actions have been pending in the Los Angeles | | |
| 16 | County Superior Court and other California courts seeking an adjudication of various parties' | | |
| 17 | respective rights to the groundwater underlying the Antelope Valley Groundwater Basin (the | | |
| 18 | "Basin"). | | |
| 19 | C. Several of these actions were coordinated by the California Judicial Council, by | | |
| 20 | order dated July 11, 2005, and assigned to the Honorable Jack Komar of the Superior Court for | | |
| 21 | the County of Santa Clara (the "Court"). | | |
| 22 | D. The Court held the first phase of trial in October of 2006 for the purpose of | | |
| 23 | determining the boundaries of the Basin for the purposes of these coordinated actions, and did so | | |
| 24 | by an Order dated November 3, 2006. | | |
| 25 | E. The Wood Class Action was filed on June 3, 2008 against certain public water | | |
| 26 | entities asserting claims for declaratory relief, quiet title, and various claims related to the alleged | | |

F. By order of September 2, 2008, the Court certified the Wood Class, appointed
Richard Wood as Class representative, and the Law Offices of Michael D. McLachlan APC and
the Law Office of Daniel M. O'Leary as counsel for the Class. By that Order, the Court defined
the Class as:

All private (i.e. non-governmental) persons and entities that own real property within the Basin, as adjudicated, and that have been pumping less than 25 acre-feet per year on their property during any year from 1946 to the present. The Class excludes the defendants herein, any person, firm, trust, corporation, or other entity in which any defendant has a controlling interest or which is related to or affiliated with any of the defendants, and the representatives, heirs, affiliates, successors-in-interest or assigns of any such excluded party. The Class also excludes all persons and entities that are shareholders in a mutual water company.

G. Notice of the pendency of this class action was initially provided to the class by
mail and publication, with a final opt out date of December 4, 2009. A list of those parties that
opted out of the class, and did not subsequently opt back into the class, is attached as Exhibit 1 to
the Declaration of Michael D. McLachlan. These opt out parties did not receive the Notice of
Class Settlement, and are not bound by the Settlement or this Judgment.

19 H. On October 25, 2013, this Court issued an order preliminarily approving the 20 Settlement. Notice of this Settlement was provided in accordance with the Court's order 21 preliminarily approving the settlement and the terms of the Settlement Agreement, as reflected in 22 the Declarations of Jennifer M. Keough and Michael D. McLachlan. Notice was given in an 23 adequate and sufficient manner, and constituted the best practicable notice under the 24 circumstances. Those class members who timely opted out of this Settlement are listed in Exhibit 25 B to the Declaration of Jennifer M. Keough. These parties are not bound by the Settlement or this 26 Judgment.

I. The Settlement is a product of good faith, arm's length negotiations between the
 Representative Plaintiff and the Settling Defendants and their counsel, which occurred over a JUDGMENT APPROVING WOOD CLASS ACTION PARTIAL SETTLEMENT

lengthy period of time in this litigation. The Settlement, as provided in the SettlementAgreement, is in all respects fair, reasonable, adequate and proper, as between the SettlingParties, and in the best interests of the Class.

J. All members of the Class who did not opt out of the Class shall be subject to all
the provisions of the Settlement Agreement and this Judgment as entered by the Court (the
"Settlement Class" members). The known Settlement Class members are listed in Exhibit 4 to
the Declaration of Michael D. McLachlan Regarding Class Membership filed with the Court on
January 5, 2014.

9 On the basis of the foregoing findings and the submissions referred to above, IT IS
10 HEREBY ORDERED ADJUDGED AND DECREED:

The Settling Parties are released forever as to the Released Claims as provided for
 in the Settlement Agreement. Any claims or rights not specifically released are retained by the
 Settling Parties. This Final Judgment shall not be construed to prejudice the rights of any of the
 Non-Settling Parties in the Consolidated Actions, nor shall it prejudice the claims and defenses
 that the Settling Parties may assert with respect to such Non-Settling Parties, except as otherwise
 ordered by this Court.

17 2. The Settlement Class members and their heirs, successors, assigns, executors or 18 administrators are permanently barred and enjoined from instituting, commencing, prosecuting, 19 any Released Claim against any of the Released Parties in any forum, other than claims to enforce 20 the terms of the Settlement Agreement. Each member of the Settlement Class has waived and 21 fully, finally and forever settled and released, upon this Judgment becoming final, any known or 22 unknown, suspected or unsuspected, contingent or non-contingent Released Claim, whether or 23 not concealed or hidden, without regard to the subsequent discovery of different or additional 24 facts.

3. The Settling Defendants and their heirs, successors, assigns, executors or
 administrators are permanently barred and enjoined from instituting, commencing, prosecuting,
 any Released Claim against any of the Released Parties in any forum, other than claims to enforce
 the terms of the Settlement Agreement. Each Settling Defendant has waived and fully, finally

and forever settled and released, upon this Judgment becoming final, any known or unknown,
 suspected or unsuspected, contingent or non-contingent Released Claim, whether or not
 concealed or hidden, without regard to the subsequent discovery of different or additional facts.

4 4. Any prescriptive rights the Settling Defendants may have cannot be exercised to
5 reduce any Overlying Rights the Settlement Class members may have.

5. The Settling Parties are ordered to timely comply with all other provisions of the
7 Settlement Agreement.

6. Without affecting the finality of this Judgment, the Court hereby reserves and
retains jurisdiction over this Settlement, including administration of the Settlement Agreement, as
well as any action, proceeding or motion brought to enforce the Settlement Agreement, as well as
the ultimate determination of the Settling Parties' water rights and the physical solution. The
Settling Parties are subject to the jurisdiction of this Court for any suit, action, proceeding or
dispute arising out of or relating to this Judgment or the Settlement Agreement.

The Court recognizes the significant contribution of Richard Wood in his role as
class representative, but defers the consideration of an incentive award until a future date.

8. The Court orders payment of attorneys' fees to class counsel in the total amount of
\$719,892.29, costs of suit of \$17,037.71, and the costs of disseminating Class Notice, to be paid
directly to Garden City Group. These attorneys' fees and costs, excluding the costs for Class
Notice, are payable by Settling Defendants in the following amounts:
