Section 1. CERTIFICATES FOR SHARES.

Certificates for shares shall be of such form and device as the Board of Directors may designate and shall state the name of the record holder of the shares represented thereby; its number; date of issuance; the number of shares for which it is issued; the par value, if any or a statement that such shares are without par value, a statement of the rights, privileges, preferences and restrictions, if any; a statement as to the redemption or conversion, if any; a statement of liens or restrictions upon transfer or voting, if any; if the shares be assessable, or if assessments are collectable by personal action, a plain statement, of such facts:

Every certificate for shares must be signed by the President or a Vice-President and the Secretary or an Assistant Secretary or must be authenticated by facsimiles of the signature of its President and the written signature of its Secretary or an Assistant Secretary. Before it becomes effective every certificate for shares must be authenticated by a facsimile of signatures, must be countersigned by a transfer agent or transfer clerk, and be registered in the book of shares.

Section 2. TRANSFER ON THE BOOKS.

Upon surrender to the Secretary or transfer agent of the corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it shall be the duty of the corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the action upon its books.

Section 3. LOST OR DESTROYED CERTIFICATES

Any person claiming a certificate of stock to be lost or destroyed shall make an affidavit or affirmation of that fact and advertise the same in such a manner as the Board of Directors may require, and shall if the directors require give the corporation a bond of indemnity, in form and with one or more sureties satisfactory to the Board, in at least double the value of the stock represented by said certificate, whereupon a new certificate may be issued of the same tenor and for the same number of shares as the one alleged to be lost or destroyed.

Section 4. TRANSFER AGENTS AND REGISTRARS.

The Board of Directors may appoint one or more transfer agents or transfer clerks, and one or more registrars, who shall be appointed at such times and places as the requirements of the corporation may necessitate and the Board of Directors may designate.

Section 5. CLOSING STOCK TRANSFER BOOKS.

The Board of Directors may close the transfer books in their discretion for a period not exceeding thirty days preceding any annual or special meeting of the shareholders.

Section 6. PROPERTY, ASSESSMENTS, WATER USE.

The directors of this corporation shall have the full power to determine, how and in what manner and for what considerations the available water supply of this mutual water company shall be distributed and sold to the owners of the shares of this corporation and who are owners of the lands lying within the outer boundaries of the following described real property in Los Angeles County, State of California:

NE 3 of Section 16, T6 N. R 12 W, S.B.B.M., together with NW 3 and N 2 of SW 3 of said section.

The directors shall have the power to make, promulgate and enforce rules regulating the use and delivery of water and from time to time to repeal, alter and amend such rules.

All water shall be sold and delivered at actual cost without profit to this corporation, reserving however to the directors the right to take into consideration all direct and indirect bona fide costs of operations and to provide for the maintenance of the system and facilities by appropriate reserves reasonable in amount in view of all factors.

In the event any purchaser becomes delinquent in payment for water or on any assessments levied, the directors shall have the power to refuse further deliveries of water, and such refusal shall be without liability upon this corporation or any director therefor. In the event that the water supply later becomes depleted in part, the directors shall have full power to allocate to landowners the supply of water that is available. By accepting the conveyance of land within the described area and the stock which is appurtenant thereto each such stockholder specifically accepts and agrees that the corporation has a lien upon the lands and the stock for any delinquency in payment for water or any assessment as provided for in California Corporations Code Section 14300 which states:

"Any corporation organized for or engaged in the business of selling, distributing, supplying or delivering water for irrigation purposes may provide, and any corporation organized for or engaged in the business of selling, distributing, supplying, or delivering water for domestic use shall provide, in its articles or bylaws that water shall be sold, distributed, supplied, or delivered only to owners of its shares, and that the shares shall be appurtenant to certain lands when the same are described in the certificate issued therefor; and when the certificate is so issued and a certified copy of the articles or bylaws recorded in the office of the county recorder in the county where the lands are situated the shares of stock shall become appurtenant to the lands and shall only be transferred therewith, except after sale or forfeiture for delinquent assessments thereon as provided in Section 1403."

The intended use of the available water supply was for A2-2 land use only where water shall be sold, distributed, supplied, and delivered, only to owners of the corporations' shares. The system was engineered and constructed to supply such use and to meet the Los Angeles County fire flow for this use. All shares are assessed on this basis. When properties within the service area are zoned for another uses requiring higher water flow levels, including but not limited to fire flow levels, such as commercial, industrial, or multi-family units, only those shares affected shall be assessed for the improvements to the water system necessary to meet higher Los Angeles County fire flow requirements, and any additional requirements imposed by any governing municipality or agency. Additionally, any increase in property tax to the corporation resulting from these improvements will be charged only to those shares receiving benefits.

In the event the Company is required to engage the service of an attorney to collect assessments or to enforce a lien for delinquent assessments or water bill, the shareholder shall pay all reasonable attorney's fees and costs incurred by the Company.

ARTICLE VII CORPORATE SEAL

The corporate seal shall be circular in form, and shall have inscribed thereon the name of the corporation, the date of its incorporation, and the word California.

ARTICLE VIII AMENDMENTS TO THE BY-LAWS

Section 1. BY SHAREHOLDERS

New by-laws may be adopted or these by-laws may be repealed or amended at their annual meeting, or at any other meeting of the shareholders called for that purpose, by a vote of the shareholders entitled to exercise a majority of the voting power of the corporation, or by written assent of such shareholders.

Section 2. RECORD OF AMENDMENTS

Whenever an amendment or new by-law is adopted, it shall be copied in the Book of by-laws with the original by-laws, in the appropriate place. If any by-law is repealed, the fact of repeal with the date of the meeting at which the repeal was enacted or written assent was filed shall be stated in said book.

ARTICLE IX INDEMNIFICATION OF AGENTS OF THE CORPORATION

Section 1. Definitions

For the purpose of this section, "agent" means any person who is or was a Director, Officer, or other agent of this corporation, or is or was serving at the request of this corporation as a Director, Officer or agent. "Proceeding" means any threatened, pending or completed action or proceeding, whether civil, criminal, administrative, or investigative; and "expenses" includes without limitation, attorney fees and any expenses of establishing a right to indemnification under Section 4 or Section 2.

Section 2. Indemnification in Actions by Third Parties

This corporation shall have the power to indemnify any person who was or is a party, or threatened to be made a party, to any proceeding (other than an action by or in the right of this corporation to procure judgement in its favor, an action brought under the Corporations Code section 5233, made applicable pursuant to Corporations Code 7238, or an action brought by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to corporation assets by reason of

the fact that the person is or was an agent of this corporation, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with the proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful. The termination of any proceeding by judgement, order, settlement, conviction, or plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner the person reasonably believed to be in the best interests of this corporation or that the person had reasonable cause to believe that the conduct was unlawful.

Section 3. Indemnification in Action by or in the Right of the Corporation

This corporation shall have the power to indemnify any person who was or is a party, or threatened to be made a party, to any threatened, pending or completed action by or in the right of this corporation or brought under Corporations Code section 5233, made applicable pursuant to Corporations Code section 7238, or an action brought by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to corporation assets, to procure a judgement in its favor by reason of the fact that the person is or was an agent of this corporation, against expenses actually and reasonably incurred by the person in connection with the defense or settlement of the action if the person acted in good faith, in a manner the person believed to be in the best interests of this corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 3:

- (a) In respect of any claim, issue or matter as to which the person shall have been adjudged to be liable to this corporation in the performance of the person's duty to this corporation, unless and only to the extent that the court in which the proceeding is or was pending shall determine on application that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for the expenses that the court shall determine;
- (b) Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or
- (c) Of expenses incurred in defending a threatened or pending action, which is settled or otherwise disposed of without court approval.

Section 4. Indemnification Against Expenses

To the extent that an agent of this corporation has been successful on the merits in defense of any proceeding referred to in Section 2 or 3 of this Article or in defense of any claim, issue or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 5. Required Indemnification

Except as provided in Section 4 of this Article, indemnification under this Article shall be made by this corporation only if authorized in the specific case, on a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 2 or 3, by:

- (a) A majority vote of the quorum consisting of Directors who are not parties to the proceeding; or

(b) The court in which the proceeding is or was pending, on application made by this corporation or the agent, attorney, or other person rendering services in connection with this defense, whether or not the application by the agent, attorney, or other person is opposed by this corporation.

Section 6. Advance of Expenses

Expenses incurred in defending any proceeding may be advanced by this corporation prior to the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article.

Section 7. Other Indemnification

No provision made by the corporation to indemnify its Directors or Officers for the defense of any proceeding, whether contained in the Articles, Bylaws, a resolution of the Directors, an agreement or otherwise, shall be valid unless consistent with this Article. Nothing contained in this Article shall affect any right to indemnification to which persons other than the Directors and Officers may be entitled by contract or otherwise.

Section 8. Forms of Indemnification Not Permitted

No indemnification or advance shall be made under this Article, except as provided in Sections 4 or 5(b) in any circumstances where it appears that:

(a) It would be inconsistent with a provision of the Articles of Incorporation, these Bylaws, a resolution of the members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) It would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 9. Insurance

The corporation shall have the power to purchase and maintain insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in the capacity or arising out of the agent's status as an agent whether or not the corporation would have the power to indemnify the agent against the liability under the provisions of this Article; provided, however, that this corporation shall have no power to purchase and maintain insurance to indemnify any agent of the corporation for a violation of Corporations Code section 5233, made applicable by Corporations Code section 7238.
