IMPORTANT MESSAGE

A recent decision by the Federal Energy Regulatory Commission required SCE to increase the transmission rate component of your bill and to decrease the generation rate component. In most cases, there will be no change to your bill. It is important to note that the decrease in the generation component will result in a decrease in the Procured Energy (PE) credit for all Direct Access customers.

Correction to SCE's Notice of Rate Increase Application (A.) A.11-04-001:

In its customer bills sent during April and May 2011, SCE notified customers that it had filed an application for a rate increase with the California Public Utilities Commission (CPUC) on April 1, 2011, A.11-04-001. SCE's notice included a "Customer Group Revenue Impact" table that erroneously listed SCE's requested rate increase as \$25.613 billion, instead of the correct amount of \$25.613 million.

Said Stock shall be appurtenant to the land served within the district defined in these by-laws or subsequent amendments thereto. Each certificate shall show the description of the land on which the share is located.

Two shares of stock shall be issued for each acre in the district accepted by the corporation. The ownership of each share shall carry as incident thereto a right to have water delivered to such shareholder on land on which such share is located within the district for domestic use and such other use as has been authorized by the corporation; the amount to be delivered to each shareholder shall be that proportionate part of all the water available for distribution as the number of shares owned by him shall bear to the whole number of valid and subsisting shares then outstanding.

ARTICLE XIV.

Transfer of Stock

Shares of the corporation may be transferred at any time by holders thereof, or by attorney legally constituted, or by their legal representatives, subject to the limitations imposed by these by-laws and articles. But no transfer shall be valid until the surrender of the certificate and the acknowledgment of such transfer is made on the books of the company.

No surrendered certificate shall be canceled by the Secretary before a new one is issued in lieu thereof; and the Secretary shall preserve the certificate so cancelled as a voucher. If, however, a certificate shall be lost or destroyed, the Board of Directors may order a new certificate issued upon such guarantee by the parties claiming the same as they may deem satisfactory.

Transfers shall be made only to the classes and for the uses and purposes herein limited and described. Transfers may be conditioned, at the option of the corporation, upon the payment of all delinquent assessments and charges against the stock to be transferred as well as a reasonable transfer charge. All papers upon issuance shall be delivered to the Secretary of the corporation for safe keeping who shall give a receipt therefor.

ARTICLE XV.

The Rates, Service and Assessments

The corporation may from time to time fix rates to cover its costs and such charges shall be based upon the type of service given and upon the quantity of water used.

The company may require installation of consumer's meters, the cost of which shall be paid in advance by the consumer. All service connections shall be paid for by the shareholder in advance. Service may be discontinued for failure to pay for any assessment levied or for failure to pay for water used. Unpaid water bills shall be a charge or lien against the stock owned by the delinquent shareholder. If rates prove insufficient, the corporation may assess the stockholders to provide funds for the carrying out of any of its corporate purposes.

ARTICLE XVI.

Meetings

The annual meeting of the stockholders shall be held at the main office of the corporation in the County of Los Angeles, State of California, or at any other place designated by the Board of Directors in the call of the annual meeting, on the 5th day of February of each year, at 4:00 o'clock P.M., provided, however, that should said day fall upon a legal holiday, then said meeting shall be held at the same time on the next day thereafter ensuing which is not a legal holiday, and shall be called by notice printed in one or more newspapers published in the County of Los Angeles, State of California, as the directors may elect, for at least ten (10) days preceding the date of meeting, or by a notice in writing addressed to each stockholder at his post office address as it appears upon the books of the corporation, and if it does not so appear, then at the principal place of business of the corporation, and deposited in the United States Post Office, postage thereon prepaid, at least ten (10) days preceding the date of said meeting. Notices of special meetings of stockholders shall be given in the same manner as annual meetings, or by a signed waiver waiving notice as required by law. If written or printed notice is given for a special meeting of stockholders, such notice shall state the time and place of such meeting and any business may be transacted at a special meeting.

5-110415-5019

No meeting of stockholders shall be competent to transact business unless a majority of the stock is represented, except to adjourn from day to day, or until such times as may be deemed proper.

At each annual meeting of the stockholders, any business may be transacted, irrespective of whether or not notice thereof has been given, and directors for the ensuing year shall be elected by ballot, to serve for one (1) year, or until their successors are elected. If, however, for want of a quorum, or other cause, a stockholders' meeting shall not be held on the day above named, or should the stockholders fail to complete their elections, or such other business as may be presented for their consideration, those present may adjourn from day to day, until the same shall be accomplished.

ARTICLE XVII.

Voting

At all corporate meetings each stockholder, either in person or by proxy, shall be entitled to as many votes as he owns shares of stock. Such proxy shall be in writing, and filed with the Secretary. In all the elections for directors, each shareholder shall have the right to cast as many votes in the aggregate as he should be entitled to vote, multiplied by the number of directors to be elected at such election; such shareholder may cast the whole number of votes for one candidate or distribute such votes among two or more candidates, and such directors shall not be elected otherwise.

ARTICLE XVIII.

Amendments

The By-laws may be adopted, amended or repealed at any meeting of the stockholders at which a quorum is present by a 51 per cent vote of the stock represented at such meeting, or by a two-thirds vote of the whole number of the Board of Directors.

ARTICLE XIX.

Seal

The company shall have a common seal consisting of a circle, with the circumference having the words "COLORADO MUTUAL WATER CO., California, Incorporated May 18, 1954."

IN WITNESS WHEREOF, we have hereunto subscribed
