11           1.       This declaration is made in support of the [Proposed] Judgment and Physical  
12 Solution filed with the court on March 4, 2015 on behalf of Cross-Defendants / Cross-  
13 Complainants, Antelope Valley United Mutuals Group, specifically **BAXTER MUTUAL**  
14 **WATER COMPANY** ("Declarant").

15           2.       The signatory to this Declaration has personal knowledge of each fact herein and  
16 would testify competently thereto under oath.

17           3.       The signatory to this Declaration is Declarant's President.

18           4.       Declarant is an active California mutual benefit non-profit corporation, with an  
19 entity address of 12501 East Avenue H, Lancaster, CA 93535. It was formed on September 20,  
20 1954. Its membership is comprised of the owners of the 15 lots on 20 acres that are situated  
21 within its hereafter-described service area. Declarant's 14 active services serve the properties  
22 within Declarant's service area that have been improved with a residence, and stand by to serve  
23 the unimproved properties when improved. Upon the formation of Declarant as a mutual benefit,  
24 non-profit corporation, the overlying groundwater rights of the owners of the properties within  
25 the service area (who became the initial shareholders) became the rights of the mutual water  
26 company and have, ever since, been exercised by the mutual water company and not by the  
27 individual property owners/shareholders. There was no known express reservation of the  
28

1 overlying groundwater rights by the individual property owners at the time of formation. The  
2 property owners/shareholders simply pooled their collective water and (through the mutual water  
3 company) constructed, operated and maintained the production, storage and distribution system  
4 by which they all receive water for their domestic purposes. Accordingly, the property owners/  
5 shareholders exchanged their overlying water rights for the right to have water delivered to their  
6 individual properties. [See *Erwin v. Gage Canal Company* (1964) 226 Cal.App.2d 189; see also  
7 *Hildreth v. Montecito Creek Water Co.* (1903) 139 Cal. 22, 29; see also *City of Glendale v.*  
8 *Crescenta etc. Water Co.* (1955) 135 Cal.App.2d 784, 801]. As such, though each shareholder  
9 has an interest in the Declarant which owns the water rights, production, storage and distribution  
10 facilities, and has the right to receive water upon development and demand, the Declarant is the  
11 owner of those certain rights, titles and interests in properties that overlie the Antelope Valley  
12 Area of Adjudication as determined by the Court. **[From Declarant's Responses to December**
