**SUPPLEMENTAL DECLARATION OF PPHCSD FOR PHASE FOUR**

**DECLARATION OF DON BARTZ**

I, Don Bartz, declare as follows:

1. I am the General Manager for Phelan Piñon Hills Community Services District ("PPHCSD"), which is a party to this groundwater adjudication commonly referred to as the Antelope Valley Groundwater Cases. I make this Declaration on behalf of PPHCSD in further support of PPHCSD in the Phase Four proceedings. I have personal knowledge of the facts set forth in this Declaration, and if called as a witness, could and would testify competently to such facts under oath.

2. My declaration submitted in this matter on or about January 31, 2013 provided at paragraph 10 the quantity of water produced by Well 14 through November 30, 2012, pursuant to the Court's then-existing orders for these proceedings. Attached as Exhibit D to that same declaration was the data (i.e., the Well Log) for Well 14 for the month of December 2012, which may be used to determine the quantity of water produced by Well 14 for that particular month.

3. I have performed that calculation consistent with my training and experience and as I did for the quantities identified at paragraph 10 of my January 31, 2013 declaration. That calculation leads to a quantity of 79.53 acre feet of water produced by Well 14 during the month of December 2012, which brings Well 14's total water production for the year 2012 to 1,035.26 acre feet.

Executed on this 29<sup>th</sup> day of May 2013, at Phelan, California.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
