STATEMENT BY PHELAN PIÑON HILLS COMMUNITY SERVICES DISTRICT
FOR STATUS CONFERENCE SET FOR SEPTEMBER 26, 2014

1 TO THE HONORABLE COURT AND ALL PARTIES AND THEIR ATTORNEYS OF
2 RECORD HEREIN:

3 Phelan Piñon Hills Community Services District ("Phelan Piñon Hills") hereby submits this
4 Statement as an "update" for the September 26, 2014 Status Conference pursuant to the Court's
5 August 29, 2014 Minute Order:

6 Counsel for Phelan Piñon Hills circulated to all counsel on August 28, 2014 a proposed set of
7 facts for stipulating to in connection with the Second and Sixth Causes of Action pleaded in Phelan
8 Piñon Hills' cross complaint ("Proposed Facts"). The Proposed Facts were made part of a formal
9 meet-and-confer statement posted to the Court's website, privately as "discovery," on August 28. To
10 date, the other parties have not indicated to what extent they agree with the Proposed Facts. Only
11 three counsel have engaged in dialogue with counsel for Phelan Piñon Hills regarding the Proposed
12 Facts, and those communications were limited primarily to inquiring more as to adding facts than
13 indicating agreement or disagreement with the Proposed Facts.

14 On September 9, 2014, eighteen (18) different counsel collectively representing approximately
15 twenty-five (25) parties posted to the Court's website a Notice of Intent to Participate in the Phelan
16 Piñon Hills trial ("Notice of Intent"). Los Angeles County Waterworks District No. 40 ("WD 40")
17 designated one (1) percipient witness and one (1) expert witness, though WD 40 failed to provide a
18 description of its percipient witnesses' statement as set forth by Court order.

19 With some emails and phone calls not gaining traction to move the Proposed Facts forward,
20 and again attempting to meet-and-confer with the parties, namely the eighteen (18) counsel who filed
21 the Notice of Intent, counsel for Phelan Piñon Hills posted to the Court's website another meet-and-
22 confer communication on September 21, 2014. To date, only one (1) counsel has responded in any
23 form, which was to say that party is not looking to engage Phelan Piñon Hills in the trial, but instead
24 simply wants to observe the trial.

25 Ultimately, counsel for Phelan Piñon Hills provided a detailed plan for a litigation and trial
26 process in advance of the August 11, 2014 status conference. With other counsel explicitly
27 representing to the Court that they would stipulate to facts, the Court directed the parties to work
28 toward that end.

Notwithstanding other counsels' representations and the Court's direction, other counsel have not indicated to what extent the Proposed Facts are acceptable. All the while, counsel for Phelan Piñon Hills articulated its objection to the trial being set for October 7, which unfortunately is validated now by the inaction of some counsel in particular.

In turn, the trial currently set for October 7, 2014 must be continued. Counsel for Phelan Piñon Hills is preparing an *ex parte* application stating such request to be heard at the upcoming status conference set for September 26. Counsel for Phelan Piñon Hills will file and serve such papers well in advance of the deadline required by State and local rules, providing more than adequate opportunity for other parties to respond on September 25, which is the date set by the Court for parties to respond to Phelan Piñon Hills' status update. The papers will more fully set forth the factual background described above, as well as the justification and subsequent necessity for a continuance.

As much as various counsel said a streamlined, expeditious process is agreeable, actions (or inactions really) demonstrate otherwise. Accordingly, Phelan Piñon Hills is forced to litigate the issues. To properly do so, a process must be set in place by the Court pursuant to the Code of Civil Procedure, similar to counsel for Phelan Piñon Hills proposed on August 11 and as done for the parties in previous trial phases.
