1 **I. SUPPLEMENTAL CASE MANAGEMENT STATEMENT**

2 At the November 5, 2007 Case Management Conference, undersigned counsel for
3 Plaintiff Willis and the Class of non-pumping landowners agreed to attempt to bring about
4 the filing of a new Complaint and Class Certification Motion by this date on behalf of
5 Antelope Valley Basin landowners who are presently pumping water on their properties or
6 who have done so in the recent past. Regrettably, although counsel has attempted in good
7 faith to do so, a number of unexpected complications regarding client representation have
8 delayed the filing of such a complaint and class certification motion. Counsel will continue
9 to pursue those efforts as expeditiously as possible and hopes and expects that such
10 papers will be filed by the end of this month and set for Hearing as soon thereafter as is
11 possible under the Code of Civil Procedure and the Court's schedule.
