24 This matter came on before the Honorable Jack Komar, sitting by assignment, for a  
25 hearing on November 17, 2023 pursuant to the October 24, 2023 Minute Order. Appearances are  
26 as shown in the court record with the Court and appearing parties and counsel present via

28 ///

1 After consideration of the papers filed and oppositions thereto, and argument of counsel,  
2 the Court declined to find that an automatic stay applied. However, the Court exercised its  
3 discretion to grant the Zamrzlas' Motion to Stay the Watermaster's Renewed Motion as to the  
4 recovery of Replacement Water Assessments to a date after the Court of Appeal issues its ruling  
5 in the pending appeal filed by the Zamrzlas. The Court expressed no opinion on whether to stay  
6 any other aspect of the Judgment, including Administrative Assessments. Therefore, the Court  
7 makes the following order:

8 The Zamrzlas' Motion for Stay is GRANTED and the Watermaster's Renewed Motion is  
9 continued to a date after the Court of Appeal issues its ruling in the pending appeal filed by the  
10 Zamrzlas. The Court's Order makes no determination as to the Zamrzlas' responsibility for, or the  
11 Watermaster's entitlement to, Administrative <sup>OR OTHER</sup> Assessments.

12 IT IS SO ORDERED.
