10. Taxes; Personal Property. Lessor shall pay all real property taxes and assessments covering the Premises and the water wells and related facilities on the Premises. Lessee shall pay all personal property taxes and assessments covering its personal property on the Premises. All structures, installations and facilities placed on the Premises by Lessee shall be and remain the property of Lessee so long as this Lease is in effect.

11. Maintenance. Lessee shall at its own cost and expense keep and maintain the Premises, all improvements thereon, and all facilities appurtenant to the Premises in good order and repair and in as safe and clean a condition as it was when received by it from Lessor, reasonable wear and tear excepted, including repair and maintenance of the water facilities as provided in Paragraph 5.

12. Liens. Lessee shall keep the Premises free and clear from any and all liens, claims, and demands for work performed, materials furnished, or operations conducted thereon at the instance or request of Lessee.

13. Lease Subject to Existing Rights of Others. In addition to being subject to all other existing rights of others, this Lease is subject (a) to all existing easements, servitudes, licenses and rights of way for canals, ditches, levees, roads, highways, telegraph, telephone and electric power lines, railroads, pipelines and other purposes; whether recorded or not, and (b) to the rights of the Lessee under any existing oil, gas and mineral lease or leases affecting the Premises or any portion thereof, whether recorded or not.

14. Acts Constituting Default. Any and all of the following actions shall constitute a default of this Lease:

- (a) Use of the Premises for any purpose other than as authorized in this Lease; or

(b) Default in the payment of rent or any other sums owing when due if not cured within fifteen (15) days after prior written notice by Lessor to Lessee; or

(c) Abandonment or vacation of Lessee from the Premises; or

(d) A default in the performance of any of the material terms, covenants, and conditions hereof if not cured within thirty (30) days after prior written notice by Lessor to Lessee.

15. Remedies Upon Default. In the event of a default of this Lease, Lessor shall have all rights and remedies Lessor may have at law, equity or otherwise, including, without limitation, all of the rights and remedies set forth in California Civil Code Section 1951.2.

16. Insolvency of Lessee. The insolvency of Lessee as evidenced by a receiver being appointed to take possession of all, or substantially all, of the property of the Lessee, the making of a general assignment for the benefit of creditors by Lessee, or the adjudication of Lessee as a bankruptcy under the Federal Bankruptcy Act, shall terminate this Lease and entitle Lessor to re-enter and regain possession of the Premises.

17. Agricultural Programs. Lessee may enter into any governmental or privately arranged soil conservation, cropping, and/or crop control agreements or programs without Lessor's prior written consent only so long as any such agreement or program does not place an encumbrance, lien, or charge on or against the Premises or otherwise affect the use or title to the Premises beyond the term of this Lease.

18. Attorney's Fees. Should any litigation be commenced between the parties to this lease concerning the Premises, this Lease, or the rights and duties in relation thereto, the party prevailing in such litigation shall be entitled, in addition to such other relief as may be granted, to a reasonable sum as and for their attorney's fees in such litigation which shall be determined by the court in such litigation or in a separate action brought for that purpose.

19. Construction of Lease. Lessor and Lessee hereby acknowledge and agree that each party and its counsel have reviewed and revised this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any amendments or exhibits hereto. This Lease, and each of its provisions, shall be governed and interpreted in accordance with the law of the State of California.

20. Lessor Representation. Lessor hereby represents and warrants that Lessor has the full right and authority to enter into this Lease, and that the persons signatory to this Lease and any documents executed pursuant to hereto on behalf of Lessor, have full power and authority to bind Lessor and shall duly execute, and if required, acknowledge such documents.

21. Notices. Except as otherwise expressly provided by law, any and all notices or other communications required or permitted by this Lease or by law to be served on or given to either party hereto by the other party hereto shall be in writing and shall be deemed duly served and given when personally delivered to the party to whom it is directed, or in lieu of such personal service, when deposited in the United States mail, first-class postage prepaid, addressed to the Lessor at 7200 E. Brundage Lane, Bakersfield, CA 93308, or Lessee at 40445 27th St. West, Palmdale, CA 93351. Either party may change their address for the purpose of this paragraph by giving written notice of such change to the other party in the manner provided in this paragraph.

22. Heirs and Successors. This Lease shall be binding on and shall inure to the benefit of the heirs, executors, administrators, successors, and assigns of the parties hereto.

23. Time of Essence. Time is expressly declared to be the essence of this Lease.

24. Waiver. The waiver of any breach of any of the provisions of this Lease by Lessor shall not constitute a continuing waiver or a waiver of any subsequent breach by Lessee either of the same or of another provision of this Lease.

25. Entire Agreement. This Lease supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof and contains all of the covenants and agreements between the parties with respect to such matter, and each party to this Lease acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other lease, statement, or promise not contained in this Lease shall be valid or binding.

26. Severability. A determination by a Court of competent jurisdiction that any provision of this Lease or any party thereof is illegal or unenforceable, shall not cancel or invalidate the remainder of such provision, or this Lease, which shall remain in full force and effect.

27. Assignment or Sublease. Lessee shall not sublease, assign, transfer or hypothecate this Lease without first obtaining the written consent of Lessor, and in no event shall the demised premises be assigned, sublet, transferred or hypothecated unless the transferee shall provide evidence of adequate financial resources to fully comply with all of the terms of this Lease to the satisfaction of Lessor, and unless the transferee be in all respects a fit and proper person for the purpose of carrying out the obligation under the Lease.

IN WITNESS WHEREOF, the parties have executed this Lease in duplicate on the day and year first hereinabove set forth.

8. Insurance Hazards. Lessee shall not commit or permit the commission of any hazardous acts on the Premises, nor use or permit the use of the Premises in any manner that will increase the existing rates for, or cause the cancellation of any insurance policy applicable to the Premises, the improvements and the crops thereon, or to Lessee's operations hereunder.

9. Insurance. Lessee shall at its sole cost and expense maintain during the term hereof broad form comprehensive public liability and property damage insurance covering its personal property on the Premises, insuring Lessee, Lessor and the Premises against loss or damage with a combined, single liability of not less than \$2,000,000 with a reputable insurance carrier. The insolvency of Lessee as evidenced by a receiver being appointed to take possession of all, or substantially all, of the property of the Lessee, the making of a general assignment for the benefit of creditors by Lessee, or the adjudication of Lessee as a bankruptcy under the Federal Bankruptcy Act, shall terminate this Lease and entitle Lessor to re-enter and regain possession of the Premises.

17. Agricultural Programs. Lessee may enter into any governmental or privately arranged soil conservation, cropping, and/or crop control agreements or programs without Lessor's prior written consent only so long as any such agreement or program does not place an encumbrance, lien, or charge on or against the Premises or otherwise affect the use or title to the Premises beyond the term of this Lease.

18. Attorney's Fees. Should any litigation be commenced between the parties to this lease concerning the Premises, this Lease, or the rights and duties in relation thereto, the party prevailing in such litigation shall be entitled, in addition to such other relief as may be granted, to a reasonable sum as and for their attorney's fees in such litigation which shall be determined by the court in such litigation or in a separate action brought for that purpose.

19. Construction of Lease. Lessor and Lessee hereby acknowledge and agree that each party and its counsel have reviewed and revised this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any amendments or exhibits hereto. This Lease, and each of its provisions, shall be governed and interpreted in accordance with the law of the State of California.

23. Time of Essence. Time is expressly declared to be the essence of this Lease.

24. Waiver. The waiver of any breach of any of the provisions of this Lease by Lessor shall not constitute a continuing waiver or a waiver of any subsequent breach by Lessee either of the same or of another provision of this Lease.

25. Entire Agreement. This Lease supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof and contains all of the covenants and agreements between the parties with respect to such matter, and each party to this Lease acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other lease, statement, or promise not contained in this Lease shall be valid or binding.

26. Severability. A determination by a Court of competent jurisdiction that any provision of this Lease or any party thereof is illegal or unenforceable, shall not cancel or invalidate the remainder of such provision, or this Lease, which shall remain in full force and effect.

27. Assignment or Sublease. Lessee shall not sublease, assign, transfer or hypothecate this Lease without first obtaining the written consent of Lessor, and in no event shall the demised premises be assigned, sublet, transferred or hypothecated unless the transferee shall provide evidence of adequate financial resources to fully comply with all of the terms of this Lease to the satisfaction of Lessor, and unless the transferee be in all respects a fit and proper person for the purpose of carrying out the obligation under the Lease.

IN WITNESS WHEREOF, the parties have executed this Lease in duplicate on the day and year first hereinabove set forth.
