**Re: *Antelope Valley Groundwater Cases*
 Wood Class Motion for Attorneys' Fees**

PLEASE TAKE NOTICE that LITTLEROCK CREEK IRRIGATION DISTRICT, PALM RANCH IRRIGATION DISTRICT, NORTH EDWARDS WATER DISTRICT, and DESERT LAKE COMMUNITY SERVICES DISTRICT ("Small Districts") will appear ex parte on February 24, 2016 at 9:00 a.m. in Department 12 of the above referenced court at 191 North First Street San Jose, CA 95113 for a continuance of the hearing on the Wood Class motion for attorneys' fees and a continuance of the deadline to file and serve an Opposition to the Wood Class motion for attorneys' fees. Such appearance will be telephonic, and parties planning to attend should arrange telephonic appearance through courtcall.com.

Small Districts' ex parte application seeks a 60-day continuance of the March 21, 2016 hearing on the Wood Class' motion for attorneys' fees and costs, and a 60-day continuance of the March 1, 2016 deadline on filing an Opposition to such motion, or such other continuances as the court deems appropriate. Small Districts seek a continuance on the grounds the moving papers are voluminous, and additional time is needed to prepare an Opposition. In addition, the Motion for Attorneys' Fees has been filed against eight parties, and additional time is needed to coordinate party declarations and counsel Oppositions in order to prepare a meaningful response.

The request must be heard on shortened notice because the court-ordered opposition deadline is March 1, 2016.

Please advise whether you will appear and/or oppose the relief requested.

Sincerely,

LEMIEUX & O'NEILL

/s/ Christine Carson

Subject: AV fee motion

Christine,

I did talk to Dan about your request. I had wanted this hearing to be set in late February, but Jeff got the Judge to kick it back a month. In the week of the 21, I have hearing on LA on the March 23, 24, and 25.

I start a trial on an older case the 28th. I had thought that case was going to settle, but I am informed earlier today that is not likely to settle. That case cannot be moved, and certainly not account of AV, as it was twice continued last year because of AV. If you were on the hearing in January when these dates were set, you will recall my discussing this case. I have another old case following right behind in April which remains unresolved, and has be thrice continued. Right now April is a horrible month, and that runs into early May. We are not going to agree to put this out that far.

In any event, you folks have had 4 weeks to work on this and still have another full week left. And for the portion of the analysis and opposition that focuses on the fee bills, you have had all those timesheets, but 2014 and 2015, for two years. It's not a terribly complicate motion, so I am sure amongst all the lawyers you have there you can finish your brief on time.
