6 **Request for Admission Number 4:**

7 Admit that AVEK has never claimed return flow from State Water Project water as a

15 into the Basin for that year.

16 RESPONSE: Objection: impermissibly compound by, among other things, requesting an
17 admission as to facts for "*each year* that AVEK purchased State Water Project water," i.e.,

19 which appropriately make separate inquiries for each year referenced.

7 waiving these objection and subject to them: Deny.

8 **Request for Admission Number 9:**

13 Admit that in 2000, AVEK's customers ordered less State Water Project water than
14 AVEK's allocated Table A State Water Project water that were made available by California's
