our Day Holiday or AV Schools ancels Meeting

All schools of the Antelope alley, including AV College. ill be closed for the four day oliday weekend, tomorrow Friday) through Monday, eb. 15, under the new ruling hich gives students five Monday holidays" this year. Monday will be the observace of Washington's Birthday, ormally observed Feb. 12, tus providing the extra day. The holiday also has brought incellation of the AV College istrict Board of Trustees egularly scheduled meeting, anounced by Superintendentresident William N. Kepley,

Kepley said, with approval t the Board, the next regular leeting has been scheduled or Monday, March 1. In addion to the holiday, the postonement is made possible by lack of agenda items requirig. Board action prior to larch 1 and difficulty in schedling a second February meetng on a date other than Feb.

there are 10 "flight-rated" en gines delivered to Palmdale, plus three non-flight engines.

Assemblyman Newt Russell Wednesday afternoon advised all laid-off Antelope Valley Lockheed employees to contact the Department of Human Resources office at 44902 10th St. W. (WH 2-1146) for information on employment modes. and an unemployment insur-
