Case No. 1-05-CV-049053
Phase 4 Trial Declarations of Parties for Potential Stipulations

Gentlemen:

Given that Mr. Voss's deposition has been taken, and after significant intense examination, all relevant information was explored at that time, we are proceeding under the assumption that there exists no current need for us to incur the expense and time to respond and complete the declaration to be used in lieu of deposition testimony. If any of you perceive that our view of the situation is inaccurate or incorrect, please advise at your earliest convenience.

Very truly yours,

BOB H. JOYCE
