Re: Antelope Valley Groundwater Case

# TO ALL PARTICIPATING PARTIES:

Concurrently with the posting of this correspondence, we are posting a Stipulation that we have prepared and are submitting on behalf of our clients, Diamond Farming Company, Crystal Organic Farms, Grimmway Enterprises, Inc., and Lapis Land Company, LLC.

The Stipulation by content addresses the Phase 4 trial issues as articulated by Judge Komar in the Case Management Order as amended. The factual information set forth in the Stipulation is that information provided in our clients' response to the court ordered discovery, and the same factual information covered extensively in the lengthy deposition of Carl Voss, taken on January 10, 2013. I hereby make a request of all parties that they execute the stipulation where provided for on the signature pages attached to the Stipulation, or in the alternative, be prepared to explain what if any legitimate objections they have to the Stipulation at the scheduled order to show cause. If any party wishes to discuss or comment, please do not hesitate to contact the undersigned.

Very truly yours,
