**JOINDER OF PALMDALE WATER
DISTRICT IN CASE MANAGEMENT
CONFERENCE STATEMENT OF
CITY OF LANCASTER**

Date: July 15, 2010
Time: 9:00 a.m.
Dept.: 17C – Santa Clara

21 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

22 Palmdale Water District hereby joins in the Case Management Conference Statement of the City
23 of Lancaster. The management of the District has actively participated in the settlement negotiations
24 mediated by James Waldo. District management is in full support of the settlement concept represented
25 by Accord. The Accord will be presented to the Board of Directors of the District on July 14, 2010.
26 District management will recommend its approval.

27 The District does not support an open-ended continuance of the trial. The District requests a
28 continuance for 60 days, to allow for a settlement process before Justice Robie, involving all parties.

1 The designation of expert witnesses, currently scheduled for July 15, should not be postponed,
2 because the designations have already been prepared and withholding them will serve no useful purpose.
