Santa Clara Court Case No. 1-05-CV-049053

**JOINDER OF PALMDALE WATER
DISTRICT AND LITTLEROCK CREEK
IRRIGATION DISTRICT IN MOTIONS IN
LIMINE**

Date: May 13, 2013

Time: TBD

Dept: TBD

21
22 Palmdale Water District and Littlerock Creek Irrigation District join in the motions in limine of
23 Rosamond Community Services District, Quartz Hill Water District (Motion No. 1), and Los Angeles
24 County Waterworks District No. 40 (Motion No. 1) concerning imported water return flows, except as
25 the motions relate to the issue of whether the right to imported water return flows belongs to the State
26 Water Project Contractor or to the water retailer. This issue is not applicable to Palmdale Water District
27 and Littlerock Creek Irrigation District, which are both State Water Project Contractors and water
28 retailers. In other words, Palmdale Water District and Littlerock Creek Irrigation District do not buy

1 water from AVEK, but import water pursuant to their own State Water Project Contracts. As such, they
2 are clearly the parties that own the return flows from the water they import.
