Antelope Valley Groundwater Cases, Judicial Council  
Coordination Proceeding No. 4408

To All Parties and All Attorneys of Record Herein:

Yesterday, the Public Water Suppliers circulated a proposed stipulation and supporting declaration concerning testimony to be elicited at deposition.

The Public Water Suppliers invite all parties to respond to Mr. Bunn's electronic mail as soon as possible today. We would like to be able to report to the Court tomorrow that the need for a substantial number of depositions has been obviated by stipulation.

The Public Water Supplier will host a "meet and confer" by telephone conference tomorrow at 3:30 p.m. concerning the stipulation/declaration and depositions in advance of the Case Management Conference on January 16th. The dial-in information is as follows:

(605) 475-4700

Participant Access Code: 851567#

Very truly yours,
