

1 **Comments on the Court's Proposed "Model" Answer to All Cross-Complaints**

2 1) The Model Answer should not be limited to Cross-Complaints but should be
3 useable to answer Complaints and Cross-Complaints.

4 **Comment:** There are both Complaints and Cross-Complaints to be
5 answered; therefore, the Model Answer should apply to both.

6 2) The sentence reading: "I will not participate at trial or other
7 proceedings unless ordered by the Court to do so." should be changed to read: "I do not
8 intend to participate at trial or in other proceedings unless ordered by the Court to do so, but
9 I reserve the right to do so upon giving written notice to that effect to the Court and all
10 parties."

11 **Comment:** A party may desire to be heard on a specific issue. That party
12 should not be foreclosed from being heard on that issue by its use
13 of the Model Answer.
