3	Llano Del Rio Water Co., Llano Mutual Water Company, and Gig Rock Mutual Water Co. Motion for an
4	Order Authorizing Court-Appointed Expert Work. Cal Water is a small public water supplier (PWS).
5	
6	The Court should proportionately allocate its Court-Appointed Expert Work costs to PWS and other
7	parties in proportion to their groundwater pumping from the Antelope Valley Groundwater Basin (Basin).
8	Phase IV has determined current groundwater pumping for all parties, expect the Wood's Class.
9	
10	If the Court finds that only the PWS should pay for the Court-Appointed Expert Work, the Court should,
11	consistent with the Court's Order to Pay Willis' Class Attorney Fees, allocate payment proportionately to
12	the number of customers. There is a significant difference in the size of PWS, ranging from less than
13	1,000 customers to over 45,000 customers, and any particular PWS customer should not disproportionally
14	bear these costs.
