CASE MANAGEMENT STATEMENT

Pursuant to its authority to manage these coordinated cases under, among other authorities, Code of Civil Procedure sections 187 and 404.7 and California Rules of Court 3.504, the Court has established procedures for parties to stipulate to facts in lieu of presenting evidence at trial. The Court previously established a deadline of March 15, 2013 for the filing of applications for approval of stipulations.

Copa de Oro has signed a stipulation with Los Angeles County Waterworks District No. 40 and Palmdale Water District concerning certain basic facts about Copa de Oro's property stated in the January 31, 2013 declaration of Elliot Joelson (posted at <http://www.scefiling.org/document/document.jsp?documentId=76507>). Pursuant to the Court's March 1, 2013 minute order, Copa de Oro is filing an *ex parte* application for approval of that stipulation.

Copa de Oro also has had productive discussions with the public water suppliers concerning a stipulation about water use on Copa de Oro's property that could be based on documented deliveries to the property by Antelope Valley-East Kern Water Agency ("AVEK"). (Copa de Oro has posted documentation of monthly AVEK deliveries on the Court's Web site at http://www.scefiling.org/filingdocs/3864/59567/144742e_ExhxKxxxEKIxSuppxReport.pdf.) While Copa de Oro and the public water suppliers have not concluded a stipulation based on that information, it is reasonably possible that one could be concluded in the next several days.

Accordingly, Copa de Oro respectfully requests that the Court extend the March 15, 2013 deadline for filing stipulations to the close of business on March 20, 2013.

Dated: March 14, 2013

Respectfully submitted,

BARTKIEWICZ, KRONICK & SHANAHAN
