The Antelope Valley Groundwater Agreement Association ("AGWA") hereby joins in the Joint Case Management Statement filed by Bolthouse Properties, LLC and Wm. Bolthouse Farms, Inc., dated November 21, 2008, as well as the Case Management Statements filed by Tejon Ranchcorp and US Borax.

AGWA further requests that the Court order that any Phase 3 Trial proceedings will be held in the Antelope Valley. This case deals with groundwater rights pertaining to the waters of the Antelope Valley Groundwater Basin. The issue is fundamentally a local concern, adjudicating the rights of the local public water purveyors and, most importantly, of local landowners. The vast majority of the parties are located in the Antelope Valley, and traveling to a remote location for trial, will be an undue burden on these parties. The community's confidence in the equity and validity of the court's proceedings in this phase cannot be guaranteed if trial is removed from the area and held in a location where it cannot be observed and monitored by the parties. For this reason, AGWA requests that the Court hold any Phase 3 Trial proceedings at the Antelope Valley at the Los Angeles Superior Court's Michael D. Antonovich Courthouse in Lancaster. This location for trial was originally proposed by the lead plaintiff Los Angeles County Waterworks (see March 16, 2005 letter of Jeffrey V. Dunn, attached hereto), and AGWA supports this proposal.
