12 **SUPPLEMENTAL DECLARATION OF PETER A. LOPEZ**

13
14 I, PETER A. LOPEZ, declare:

15 1. I am the Manager for the Boron Community Services District ("Boron"), a party to
16 this action. In lieu of deposition testimony for the Phase 4 trial, I am providing this amended
17 declaration. I have personal knowledge of each fact herein and would testify competently thereto
18 under oath.

19 2. In addition to this supplemental declaration, Boron has provided, under penalty of
20 perjury, the facts, information and documents submitted to the Court and posted on the Court's
21 website on December 21, 2012 and the Declaration of Peter A. Lopez on Behalf of Boron
22 Community Services District in Lieu of Deposition Testimony for Phase 4 trial posted on the Court's
23 website on January 31, 2013 which are hereby incorporated fully as if attached hereto.

24 3. In the Declaration of Peter A. Lopez on Behalf of Boron Community Services District
25 in Lieu of Deposition Testimony for Phase 4 trial posted on the Court's website on January 31, 2013,
26 the quantity of SWP water purchased from AVEK for the calendar years 2000 through 2004 did not
27 deduct the amount of water Boron delivered to Phillips Lab, which is located at Rocket Site on
28 Edwards Air Force Base. Phillips Lab purchased the water directly from AVEK. Water delivered to

1 Phillips Lab does not constitute water use by Boron. Boron stopped delivering water to Phillips Lab
2 after 2004.

3 4. Accordingly, No. 21 of the Declaration of Peter A. Lopez on Behalf of Boron
4 Community Services District in Lieu of Deposition Testimony for Phase 4 Trial posted on the
5 Court's website on January 31, 2013 is hereby amended as follows:

6 **State Water Project Purchases**

7 21. The District purchases State Water Project water from a State Water Contractor for
8 use by its customers on the properties referenced above. The District purchased the following
9 amounts of water from AVEK:

18 5. The complete discussion of Boron's SWP water purchases from AVEK is found at
19 Section II, (E) of Boron's Response to Discovery Order for Phase 4 Trial which is hereby
20 incorporated fully as if attached hereto.
