Hi Ralph,

I am not sure what the PPS is? I was not on the court call and do not know what was said but I do know the parties have not resolved the remaining issue that was outstanding when we last spoke. Even if that issue is resolved, there are a list of issues to be discussed between the possibly settling parties in the proposed settlement, one of which is the Willis Class and how it is treated. i hope that answers your question. I will be out of the office next week so please make sure you copy Warren on our correspondence.

Thanks,  
Eric

Hi Eric, I learned today that the PWS and Landowners are ready to commit to the PPS which excludes the Willis class from a free production allowance or the NSY. Is this true? Could you please let me know one way or the other, thanks
