Re: Antelope Valley Groundwater Cases
Judicial Council Coordination Proceeding No. 4408
Deposition Availability

Dear Counsel:

Please be advised that I am in trial in another matter and unavailable for depositions the week of April 8, 2013. Accordingly, we will need to reschedule the depositions of Tejon's witness Dennis Atkinson, and Granite's witness Steve McCracken, for a mutually agreeable date. I have contacted my clients for available dates and will post their availability when ascertained.

Very truly yours,

Robert G. Kuhs
