Re: *Antelope Valley Groundwater Adjudication*  
Judicial Council Coordination No. 4408  
Proposed Discovery Order for Phase 6 Trial

Dear Counsel:

By Court Order dated July 29, 2013, the parties were "ordered to meet and confer regarding a form of court ordered discovery to clarify the legal theory, time frame and factual and legal basis supporting the prescription claims of each purveyor as against each landowner, along with any other purveyor claimed groundwater, such as purveyor overlying rights." The Court further directed Jeffrey Dunn and the Public Water Suppliers to prepare a proposed order. Neither Mr. Dunn nor the Public Water Suppliers prepared such order.

On September 9, 2013 the parties met and conferred regarding the scope of a proposed discovery order prepared by several of the landowners. Submitted herewith is the [Proposed] Discovery Order for Phase 6 Trial incorporating the comments raised during the September 9, 2013 meet and confer. Any objections to the proposed order should be posted within five days from the date hereof pursuant to California Rules of Court, Rule 3.1312.

Very truly yours,

  
Robert G. Kuhs
