Subject: RE: REDLINE DRAFT -- CASE MANAGEMENT STATEMENT [IWOV-DOCS.FID34291]

Lee and Jim,

Sorry for the delay. Below are the corrections to the CMS list of clients. As you know there are a couple of outstanding issues being discussed and I am not yet prepared to join the CMS.

Also, as I indicated in the last face-to-face settlement meeting, there is an issue of ownership as between Granite Constr. Co and Little Rock Sand and Gravel as it relates to Exhibit 4 of the proposed judgment. Robert Kuhs and I (and our clients) are trying to work this out, and will let you know how exhibit 4 for these two parties should read. Note, this is an issue that affects only the two parties, but exhibit 4 has to reflect their joint understanding (which has yet to be reached) before my client can sign the stipulation.
