Gents:

You folks represent the bulk of the redline changes to Exhibit 4, so I am giving you a look at it before it gets published to the world. A quick response will be appreciated.

Doug: I have used your offers. I think we need to coordinate with Dunn to put pressure on to get signatures. Where is the School District on the 202af? Those who do not sign we can either leave as set out here in the Exhibit, or we can lump it into a "Rosamond Annex" amount.

Mike: Just want to make sure it is all in here correctly.

Robert and Ted: If you can resolve the 20 af, we can break that issue into two line entries.
