Re: Antelope Valley Groundwater Litigation

Dear Counsel and Interested Parties:

I write to advise you that a mediation has been set before Justice Ronald B. Robie, of the Third Appellate District, for August 24 and 25 (if necessary), starting at 9 a.m. The mediation will occur at 621 Capitol Hill Mall, 10th Floor, Sacramento, California 95814-4719. Those attending must check-in downstairs with security, and then proceed directly to the 10th floor.

Parties must submit mediation briefs by August 17. Please transmit those to the Justice's assistant, Malinda Moore at the address above.

Please also take note of Judge Komar's July 15, 2010 order regarding mediation, and specifically the need for a limited number of representative counsel to appear.

Very truly yours,

Michael D. McLachlan
