Things you should know

Correction to SCE's Notice of Rate Increase Application (A.) A.11-04-001:

In its customer bills sent during April and May 2011, SCE notified customers that it had filed an application for a rate increase with the California Public Utilities Commission (CPUC) on April 1, 2011, A.11-04-001. SCE's notice included a "Customer Group Revenue Impact" table that erroneously listed SCE's requested rate increase as \$25.613 billion, instead of the correct amount of \$25.613 million.
