On March 15, 2016, Defendant Los Angeles County Waterworks District No. 40 ("District No. 40") filed a 30-page Opposition to Plaintiff Richard Wood's Motion for Attorneys' Fees, Costs and Incentive Award – a brief that is twice the

The page limit for this Opposition brief is 15 pages. (C.R.C. 3.111(d).) District No. 40 did not file an application or a motion requesting leave to file an oversized brief, as is required. (C.R.C. 3.111(e).) This rather egregious violation of the Rules of Court merits the striking of the brief in its entirety, or the last 15 pages of the brief. (C.R.C. 3.111(g) ("A memorandum that exceeds the page limits of these rules *must* be filed and considered in the same manner as a late-filed

Alternatively, if the Court is not inclined to take any action as to this grossly oversized brief, Plaintiff requests leave to file an oversized reply brief. The Lemieux firm has filed an Opposition of 13 pages in length, which means that the defendants have filed 43 pages of Opposition briefing. Plaintiffs therefore request that if District No. 40's brief is not reduced in size, that Plaintiff be given leave to file a reply brief of 20 pages. Given the import of this Motion, and the litany of arguments raised by the Defendants, that is justified.
