Counsel and Unrepresented Parties

Re: Antelope Valley Groundwater Cases, JCCP No. 4408

Dear Counsel and Unrepresented Parties:

Attached for your review and comment is a proposed chart depicting the alignment of the parties.

The *Wood* and *Willis* Classes are identified as plaintiffs as suggested by Mr. McLaughlin at the August 17, 2009 hearing. Diamond Farming and Bolthouse Properties are also identified as plaintiffs by virtue of their status as the original plaintiffs in these proceedings.

An arrow pointing in a single direction represents claims being asserted against parties to whom the arrow points. An arrow pointing in both directions represents claims and cross-claims being asserted by the respective parties.

Also attached for your review is a matrix listing all pleadings to be consolidated by the pending motion to transfer and consolidate. Interlineation indicates dismissal.

Please submit all comments no later than September 1, 2009, so that they may be fully considered prior to the deadline for submitting the supplemental briefing requested by the Court.

Very truly yours,

Whitney G. McDonald
